The Jubilee Calendar is a Spring-to-Spring calendar. God used it to determine the length of some prophetic time periods. During the operation of the calendar, a day represents a year. After the termination of the calendar, there is no translation. For example, the 1,000 years in Revelation 20 are literal. The calendar ended with 70 cycles. This is proven true by Rule 1 and the harmony of prophetic time periods occurring after 1994.

Bible Proof

A cycle = 49 solar years

The Babylonian captivity (605-538 B.C.) lasted seventy years because Israel violated 70 sabbath years. (Leviticus 26:31-35; 2 Chronicles 36:21,22) God counted the apostasy of Judah and Israel to be 430 years. (Ezekiel 4:5,6) The number of sabbath years in 430 years is 70! This proves mathematically a Jubilee cycle has to be a repetition of "seven sevens" which is 49 years.

God established the annual feast of Pentecost as an annual "shadow" of the Jubilee Calendar. The 50th day always fell on the 1st day of the week.

A Jubilee week always starts with Sunday and ends with Sabbath. Therefore, seven days are not necessarily a week because "a Jubilee week" always begins with the first day of the week. The 2,300 days which began concurrently with the 70 weeks, are so called because they are not complete weeks. 2,300 days = 328 weeks + 5 days

2,300 days prophecy

The precision of the Jubilee Calendar is amazing. Jesus came to Earth and died for our sins at the predicted moment. He died in the middle of the 70th week (A.D. 30) and confirmed God's covenant of salvation for man! A correct understanding of the calendar is important because God measures a number of prophetic time-periods in day/year units. The calendar did not terminate with the death of Jesus in the middle of the 70th week. Daniel 9:24 requires 70 weeks, not 69½. This fact is also confirmed by the continuation of the 2,300 days and the prophecy of 1,260 years for both prophecies require the operation of the Jubilee calendar. Daniel 7:25; 9:24-27; Exodus 12; Leviticus 25,26; Romans 5:6; Galatians 4:4
