

Prophecy #4 Dan 9:20-27

This prophecy flows in chronological order.

*Note: The 70 weeks were "cut off" of the 2,300 days. God gave ancient Israel 70 weeks of the 2,300 days to bring in everlasting righteousness (the kingdom of God). Israel failed. Nevertheless, Jesus died at Passover in A.D. 30, the middle of the 70th week (A.D. 27 - A.D. 33). The date of Christ's death is important to the 2,300 years because A.D. 30 affirms: (a) the decree given by Artaxerxes in 457 B.C. marks the beginning of the 2,300 days; and (b) 457 B.C. is both a Sunday year and a Jubilee year. This perfectly aligns with Hezekiah's 15th year Jubilee (702 B.C.). Further, this is why the 69 weeks are stated as 7 weeks (a Jubilee cycle of 49 years) and 62 weeks.
