

Bible History and End Time Prophecy Timeline

Author: Marty Purvis

This video series covers a chart showing historical events since creation and future events culminating in the creation of the new earth. Because there is historical evidence showing the relationship of prophecies in Daniel and Revelation, a framework shows the alignment of five prophecies in Daniel and twelve prophecies in Revelation.

God left the prophecies in Daniel sealed until the time of the end. The prophecies in Daniel and Revelation were given in chronological order because God Himself declared the order. So, the prophecies cannot be subject to religious bias. This chronological alignment allows us to see what has been fulfilled as well as the order of coming events.
