

Bible Stories with End Time Parallels - Audio Version

Author: Marty Purvis

Bible stories often have meanings beyond the original text. The audio reading of the book by Larry Wilson provides end time insight into the stories of Bible characters. You can now download or listen to the book in mp3 format by accessing the links below. To download the file in mp3 format, just right click the download link with your mouse button, select "Save Target As" and save the file in the location you choose.
