

Five Essential Bible Truths

Author: Marty Purvis

This is a discussion with Letty Kincaid on the five essential Bible doctrines. These five doctrines are:

- Salvation by Faith
- The State of the Dead
- The Sanctuary
- The Sabbath
- The Second Coming

The five "S's" are fundamentally important because the books of Daniel and Revelation build upon these key doctrines. If these five doctrines are not properly understood, Bible prophecy will not produce a cohesive story. Watch the videos at the following links:
