

Untold Story of Jesus Introduction

Author: Larry W. Wilson

Gratitude and Acknowledgment

I do not expect anyone to agree with everything written in this unusual book. However, if you find something helpful and are blessed half as much as I have been while writing it, I will be delighted. I want your admiration and love for Jesus to grow and become more exciting than words can express. This has happened to me and I want to share my joy.

I want to say "Thank You" and express my deepest appreciation for all of the wonderful people that helped to make this book a reality. I am sure that Jesus also appreciates your efforts to exalt His wonderful name. May the Lord continue to bless each of you in every way: Jane and Carson Cross, Vonnie Berryhill, Enwelu Hananayah, Marty Purvis, Eunice Leach, Randy Daniel, Bob Rose, and Rex Johnson.
